IN DERBY... Ruth Nitzen (l) and Iris Critchell, both of Palos Verdes, will be among contestants in the annual All-Women Transcontinental Air Race from Lawrence, Mass., to Spokane, Wash., Saturday. The popular "Powder-Puff Derby" will start from Torrance next year.

Palos Verdes Pair Seeking Race Trophy

When the 66 entrants in the 13th annual All-Woman Transcontinental Air Race take off from Lawrence, Mass., and head for Spokane, Wash. July 4 two vying for honors will be from Palos Verdes.

Flying the "Powder Puff Derby" course is an old story to Mrs. Iris Critchell, 1604 Via Montemar, who is an instructor at Torrance Airport. Mrs. Critchell has logged more than 4400 hours in the air, holds a single and multi-engine commercial license, and is flying a Cessna 172 in the TAR for the ninth time, having won the event once and placed second twice. She is a former Olympic swimming champion and a member of the TAR board of directors.

MRS. RUTH NITZEN, of 1217 Granvia Altamira, is flying her fourth derby race in a Beechcraft Bonanza. She holds a commercial license and has 500 hours flying time in her log book.

THIS CROSS-country race has done much to create interest in flying among women, according to George E. Haddaway, publisher of Flight Magazine, and the handicap competition is open to all licensed women pilots and to all certified stock aircraft manufactured since Jan. 1, 1948, and not exceeding 350 horsepower.

Bank of America Sets Open House

Bank of America will introduce its new Sepulveda-Hawthorne branch at an open house party Thursday evening, July 16.

Manager Verne L. Hughes said the open house will feature displays, refreshments, music, prizes, a treasure chest contest, and balloons for the kids. It will also give beach area residents a chance to thoroughly inspect the \$447,000 premises from vault to mezzanine before it opens for business the following morning.

Located at 3804 Sepulveda Blvd. near the junction of Hawthorne, the branch will offer complete metropolitan banking facilities, including an escrow and safe deposit sections.

With 11,320 square feet of floor space in the building, there will be 22 teller stations, providing customers with fast service while banking.

The Sepulveda-Hawthorne branch is the 653rd in the bank's state-wide system.
